

## Finding Lettoch Cottages (The Cow Shed, Cow Shed 2 & Lettoch Beag):

**We are** located in Highland Perthshire, just 90 minutes drive from Edinburgh, and two hours drive from both Aberdeen and Glasgow. We are well served by road (A9) and rail although as we are 5 miles from Pitlochry & 2 from Blair Atholl having a car helps.

### Driving Directions:

Approaching from the South on the A9 take the exit 4 miles north of Pitlochry (at the snow gates) signposted Blair Atholl / Bruar. Approaching from the north this exit is signposted Blair Atholl / Killiecrankie. The exit leads down to the old A9 road (now B8079). Turn left here in the direction of Killiecrankie. Half a mile down the road, just after the hamlet of Auld Clune there are three houses set back off the road on the left. Immediately after the third house a small lane rises up through the trees (see photos below). Look for the sign to "The Barn" (next door to us). Take this lane (\*), winding your way up the hill and underneath the 'new' A9. Passing under the bridge looking straight up the field in front of you is Lettoch. Take the first left turn switching back up the hill until you reach Lettoch Beag (first double gates on your right) and The Cow Sheds (2<sup>nd</sup> double gates). There is ample parking for two cars beside the house.

**N.B.** If you visit Pitlochry before coming to Lettoch head north out of town on the B8079 for 4 miles. About ½ mile through Killiecrankie turn right up the lane (see photo below) and follow directions from (\*).

### Rail:

Pitlochry is well served by rail from both Edinburgh & Glasgow.

### Air:

We are 1 hour 20 minutes drive from Edinburgh Airport and about 2 hours from Glasgow Airport.
